

Mountfield

S481 PD 48cm Self-Propelled Lawnmower

RRP \$559 incl. GST

The award winning (European Best Buy 2017 award) S481 PD mower has all the same great features as the S481 HP, with the addition of power driven rear wheels, removing the effort of pushing the mower. It's very easy to use; just pull the clutch lever and away you go.

Powered by an easy to start Mountfield 160cc OHV four stroke engine, this quiet, powerful mower will give many years of trouble-free use.

5 pre-set cutting positions ranging from 25mm to 65mm are easy to adjust, using the single lever height adjuster. The grass collector holds 70 litres of cuttings and lifts off the back of the mower easily for emptying. Also supplied with a mulching plug, you can recycle the cuttings and save time, money and effort.

These great little mowers are very easy to use and extremely economical to run. With a robust steel chassis, powder coated in 'Mountfield Red', they will give you many years of service and have your lawn looking neat and tidy in no time.

The 48cm cutting width makes the S481 PD ideal for medium sized lawns up 40m x 40m
